

Gadsden County Baptist Association Educational Scholarship

Purpose: To provide financial assistance for the pursuit of college-level education at an approved Southern Baptist institution.

Eligibility: This scholarship is available to any member (in good standing) of a Gadsden County Baptist Association church. The pastor (or the chairman of the deacons if the church is without a pastor) will determine if the member is in good standing. Other stipulations include:

- Applicants must be a member of a Gadsden County Baptist Association church for at least six months prior to submitting a request for consideration.
- While residing in Gadsden County, the applicant must faithfully attend worship services. The pastor (or the chairman of the deacons if the church is without a pastor) will determine if the applicant fits the description of faithful attendance.
- Recipients of this scholarship must maintain a "C" average to continue receiving this scholarship.

Process: Applications can be downloaded at www.gadsdencountybaptistassoc.com. Completed applications should be given to the applicant's respective pastor (or the chairman of the deacons if the church is without a pastor) for their review and submission to the Association. The Association will not accept applications submitted by an individual.

The Administration & Leadership team will review all applications and distribute scholarship funds accordingly. All scholarships will be paid directly to the educational institution on the student's behalf. No scholarship funds will be given directly to the student.

This \$1,000 scholarship will be distributed on a semester basis. Each student may receive up to eight (8) \$1,000 scholarship disbursements.
